

## Boulder Flycasters Secretary Meeting Notes:

10-25-2017

- Steve volunteered to be liason
- Lafayette and Boulder recommended to contact them to get onboard to use the Environmental Pool - 5000 acre feet of Gross Reservoir water expansion. If we can get them in the practice of using it, then it will become common practice when the pool is effective with new reservoir.
- South Boulder Creek Fish Passage planned for East Boulder Ditch – downstream of S Boulder Rd.
- John volunteered to setup a monitoring program to help establish an annual tracking of temperatures on the river below Gross. CU Anthony going to reach out, Don going to reach out to third party company to get a bid.
- Officers of the Board nominations:
  - Rob President
  - Brendan VP
  - Chad Secretary
  - Greg Treasurer
  - John G. - Membership
