

Boulder Flycasters Secretary Meeting Notes:

1-10-2018

- 2018 budget finalized and approved based upon 2017 actual numbers
- Gross Reservoir Expansion broken down to three plans of action
 - Monitor Water Temperature and Biomass
 - NEON said they will help
 - CPW hoping they will help
 - Coordinate with City and Non-profits for a Coalition that brings a broader audience to compete with Denver Water
 - South Boulder Creek Fish Passage
 - City of Boulder has \$200k for blocking fish from going into divergence structure
 - Maybe we can we pool this money to include fish passage when talking with Denver Water
- Communications – Brendan edited our email platform so that we don't get random messaging and it works properly.
- Youth Activities and Coordinator hired by CTU – Trout in Classroom, potentially NINA the new BFC board member
- 2017 Kids Camp a big success, looking to do a web post and magazine insert
- Boulder ICO
